CAREER PATH WAYS
CAREER PATHWAYS
TAFE NSW HUNTER RTO 90002

Who is this information for?
This information is for school students and their parents, counsellors, and for anyone wanting to study or gain recognition for their existing skills.

This information can help you in several ways:

- Find out what courses you can do in your chosen field of study when you leave school, or later in life
- Follow the arrows in reverse from your current or most recent job to find the qualification you might gain by Recognition of Prior Learning
- Find out what courses you can do next

Please note that:

- Mature aged students can apply for entry into all TAFE NSW courses, provided they meet any employment requirements.
- Students who have completed Year 10 or Year 11, but are aged under 17, may be permitted to enrol in some TAFE NSW courses, provided they are doing either full time study, or a combination of study and employment to achieve a full-time program.
- TAFE NSW course offerings are always subject to sufficient demand and resources.
- This is a dynamic, internet based document, and version changes may be made at any time. If you print a copy or a page, please check that there are no changes at a later date.
- You can find this document at www.hunter.tafensw.edu.au, then click the Career Areas, and the Career Pathways Booklet link.

Please note: To be employed in the Coal Mining industry as an "Open Cut Examiner" or a "Deputy" or an "Under Manager", you need a certificate of competency for the relevant function issued by the "Coal Competency Board", which is part of the Department of Primary Industries (DPI). To get this certificate of competency you need to pass examinations set by the "Coal Competency Board".

Please note: These TAFE qualifications allow candidates to sit the DPI examinations. The DPI states that as a pre-requisite for sitting the exams candidates need minimum educational qualifications and relevant industrial experience. Candidates need to check the DPI pre-requisites.
